Travel medical insurance for individuals,  
families, and groups

## WHY PATRIOT TRAVEL?

Traveling abroad is an exciting experience, but unpredictable. Outside of their home country, illnesses and accidents can happen. Most travelers assume they're already covered by their standard medical plan—but that isn't always the case. While domestic plans provide sufficient coverage at home, most are not designed to provide the coverage and assistance required for international travel.

Choose the Patriot Travel plan that meets your needs, and spend more time enjoying your international experience—not worrying about your medical coverage. Each plan within the Patriot Travel Series provides various levels of coverage for individuals, families, and groups who need temporary medical insurance while traveling for business or leisure anywhere.
